- Caravans with double axles are not allowed on the camping ground.
- Campers only at the designated places.
- **Pets are NOT allowed on the campsite.**
- Be careful with everything blossoming and flourishing here. Bushes and fruit trees are no playground equipment.
- Between 11 p.m. and 7 a.m. we ask absolute silence. During the Four Day March it is silent after 9 p.m.
- We are proud of our bathrooms which should always be clean. When you use the shower, please use the wiper. In case the sanitary facilities, despite daily cleaning, are dirty, please let us know so that we can take measures.
- Making a campfire is prohibited.
- Please deposit organic waste in the green container, glass in the glass container, paper in the paper container and other waste in the specific bin. Chemical toilets must be emptied in the designated place outside, behind the sanitary facilities.
- No trespassing area: behind and next to the western side of the farm building. Moreover, we point out the danger of the manure pit. It is absolutely prohibited to climb it or play around it!
- Playground equipment at the campsite are free to use, although at one's own risk. Playing football is only allowed on the playing field in front of the farm building.
- You are staying on the grounds of a farm in operation, also outside normal office hours! We do our best to avoid noise disturbances.
- Every week the grass of the campsite and playing field is being mowed. The total area is about 10,000 square meters and mowing takes approximately 6 hours. The sound of the mower is a bit annoying, but this work needs to be done. Please be careful that no stones, pegs or iron are left behind on the camping ground or playing field. These objects will damage the mower and may unexpectedly dart away while mowing.
- We are available for questions between 2 and 6 p.m.

We wish you a pleasant stay at 'de Zeelandsche Hof'.
